Grading

No make up test, quiz, final. No late submission for Homework, Project.

a. Class exam(45%): 3 tests

b. Online Homework(10%)

c. QUIZ(5%): 2 quizzes (+1 extra quiz)

d. MAPLE PROJECT(10%): 2 LAB(5%), Final project(5%)

e. Final(30%) - **I will replace one of lowest scores of TEST 1, 2, 3 if final score is higher.**

Attendance Policy (Read Carefully.)

Unexcused absences beyond 15% of course hours(**6 days**) result in a failing grade for the course. To excuse your absences, a **proper document with early notice** is necessary. Two late marks count as one absence. If a student leaves early without early notice, I will consider it as one late mark.

No SNS and phone policy

Please, silence your cellphone and other electronic devices. Except early notice, do not use SNS or phone. **For the quiz and test, students should turn off their electronic devices and put them in their bag to avoid a failing grade for the quiz, or test.**
